DETAILED ACTION

1. The following is a Notice of Allowability in response to the Amendment received on 7 October 2005. Claims 4, 5, 20 and 21 have been cancelled. Claims 1-3, 6-19 and 22-39 remain pending in this application.

REASONS FOR ALLOWANCE

- 2. Claims 1-3, 6-19 and 22-39 are allowed.
- 3. The following is an examiner's statement of reasons for allowance:

As per claim 1, the prior art of record taken alone or in combination fails to teach calculating a time constant for the averaging device based at least on the time constant for the controlled device, and the specified operational characteristic.

As per claim 17, the prior art of record taken alone or in combination fails to teach the averaging device includes a time constant based on the time constant for the controlled device, a controllable range of the controlled device, and the specified operational characteristic.

As per claim 28, the prior art of record taken alone or in combination fails to teach averaging a signal with a time constant based on the time constant for the

controlled device, the controllable range of the controlled device, and the specified operational characteristic.

As per claim 32, the prior art of record taken alone or in combination fails to teach receiving a signal representative of a measured value of a controlled parameter of the device, the controlled parameter having a second time constant that is smaller than the first time constant; passing the measured value through an averaging device using a third time constant to provide an averaged value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

4. The drawings were received on 7 October 2005. These drawings are acceptable.

Specification

5. The amendments to the specification were received on 7 October 2005.

These corrections are acceptable.

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
